

Providing Scholarship, Leadership and Service Opportunities for Ohio's Student-Athletes

## The 2011 Student Leadership Conference

In the beginning, the Ohio High School Athletic Association Foundation sponsored a single State wide leadership conference held in Columbus, Ohio. Harvey Alston has been the Keynote Presenter / Master of Ceremonies and has served as advisor for every event. Today, the foundation sponsors six leadership Conferences, one in each athletic district, for over 1,200 captains and team leaders. These all-day sessions address the topics from Harvey's "Developing Leadership Workbook", on athletic leadership, teamwork, sportsmanship, role-modeling, and citizenship.
