**Ret. Army Master Sgt CEDRIC KING** retired after 2 tours of Afghanistan. After surviving a last from an IED in 2012, King Trained & recovered... & within 21 months ran the Boston Marathon on

prosthetic blades. His story is only just the beginning as he finds opportunities to encourage and lead millions of us with his inspiration.

**TIM GARD's** Program - Thriving Even In Times Of Stress - concentrates on how to thrive you have little control over external circumstances. Tim offers a variety of programs specifically designed to help his audiences thrive, despite *their* particular stresses.

**SHAWN HARPER** - motivational and inspirational powerhouse who helps break the chains holding individuals, teams, & businesses down in defeat! By pointing to the prize, visualizing the victory, and speaking to success, you can direct your destiny! Change your focus to change

**ANN DOLIN** speaks extensively on education related topics. Many families deal with the daily stress of homework. Arguments and battles with your child rarely conclude with a winner and your relationship with your child suffers. Ann Dolin M.Ed., a recognized expert in education and learning disability issues helps to eliminate the homework stress.

Born without arms, **JESSICA COX** has graduated college, earned 2 black belts, swims, drives, flies a plane, holds the record for the 1<sup>st</sup> pilot to fly with her feet, surfs, scuba dives & uses her feet in ways others can only imagine. Her greatest triumph in life though is her regard for herself as a whole person, her high degree of self-acceptance that gives her freedom & power to insist that society accept her just as she is.

Police Officer **JASON SCHECHTERLE** was on duty in 2001 when his patrol car was struck by a taxi and he was trapped inside. His police cruiser was rear-ended, burst into flames, & caused him disfiguring burns. He now shares his story with uplifting messages of survival and hope, and encourages and motivates others.
